ABOUT US

At LOGIKING SHIPPING LLC we specialize in providing efficient, reliable, and innovative logistics and shipping solutions to businesses and individuals around the globe. With years of experience in the industry, we are committed to delivering top-notch services that ensure your goods arrive safely and on time. Our mission is to simplify the complex world of logistics by offering customized solutions that meet the unique needs of our clients. Whether you're shipping locally or internationally, we use state-of-the-art technology and a global network of partners to streamline your supply chain and make shipping hassle-free. We offer a range of services including air, sea, and land transportation, as well as warehousing, inventory management, and customs brokerage. No matter the size or urgency of your shipment, we ensure that your goods are handled with care, and that you receive real-time tracking and updates every step of the way.

OUR MISSION

"Our mission is to provide reliable, cost-effective, and eco-friendly logistics and shipping solutions, ensuring the seamless movement of goods across the globe while exceeding customer expectations."

OUR VISION

"To be the global leader in innovative and sustainable logistics solutions, empowering businesses to move goods efficiently, safely, and responsibly."

OUR QUALITY

"We are committed to delivering the highest quality of logistics and shipping services by continuously improving our processes, adhering to industry standards, and prioritizing safety, efficiency, and sustainability."

AIR FREIGHT

We provide fast and reliable air freight services to destinations across the globe. Our air freight solutions are designed to meet the diverse needs of businesses, ensuring that goods reach their destination swiftly and safely. Whether you need expedited services or scheduled deliveries, we offer flexible options to suit your requirements.

Key Features:

- International air freight solutions
- Expedited and economy services
- Air charter services
- Door-to-door delivery options
- Tracking and real-time updates

SEA FREIGHT

With years of experience in the global shipping industry, we offer comprehensive sea freight solutions that are both efficient and cost-effective. Our sea freight services are designed to handle both FCL (Full Container Load) and LCL (Less-than-Container Load) shipments, ensuring safe transport of your cargo over long distances.

Key Features:

- FCL and LCL options
- Worldwide shipping network
- Port-to-port or door-to-door services
- Specialized handling for various cargo types
- Flexible shipping schedules

LAND FREIGHT

We provide seamless land transportation solutions that cover local, regional, and international routes. Our land freight services include road, rail, and intermodal transport, offering flexibility and reliability for the transportation of goods of all sizes.

Key Features:

- Regional and international transport
- Full truckload (FTL) and less-than-truckload (LTL) options
- Intermodal transportation services
- Real-time tracking and updates
- Safe and secure cargo handling

CUSTOMS CLEARANCE & CUSTOMS BROKERS

Navigating customs regulations can be a complex task. Our expert customs clearance services ensure that your shipments meet all necessary legal requirements, avoiding delays and fines. We also offer professional customs brokerage services to facilitate smooth and hassle-free import and export processes.

Key Features:

- Import and export customs clearance
- Assistance with documentation and compliance
- Tariff and duty management
- Personalized customs brokerage services
- Support for international trade regulations

CHARTERING OF VESSELS

Chartering of Vessels For businesses that require tailored and flexible transportation solutions, we offer chartering of vessels. Whether you need to transport large quantities of goods, oversized cargo, or specialized shipments, our vessel chartering services provide a customized approach to meet your specific needs.

Key Features:

- Chartering for bulk, project, and oversized cargo
- Customized shipping solutions
- Safe and reliable vessel management
- Global reach and network of vessel operators
- Support for specialized cargo types

PROJECT HANDLING

We specialize in handling complex and large-scale projects, providing end-to-end solutions for heavy, oversized, and time-sensitive cargo. From planning to execution, our experienced project handling team ensures seamless operations and timely delivery, no matter the size or complexity of the project.

Key Features:

- End-to-end project logistics management
- Heavy and oversized cargo transportation
- Tailored solutions for unique project requirements
- Expert team for on-site support and coordination
- Global network of project partners

OUR SERVICES
